

Name Graham Dury
Date of Birth 27 February 1966
Position in Company CAD Manager
Professional Qualifications ONC

Career Summary

2001 - Present CAD Manager, Desco Ltd.
2000 - 2001 Partner, GD Draughting CAD Bureau
1995 - 2000 Freelance CAD Engineer
1994 - 1995 Project Engineer, Gavin M Steward Ltd.
1985 - 1993 Project Engineer/CAD Designer, Denco Air Ltd.
1984 - 1985 Draughtsperson, Albury Instruments Ltd.

Graham initially started his career in project management for a leading air conditioning manufacturer then changed direction and moved into CAD in the early 1990s. He worked for a number of years as a freelance CAD engineer in the building services industry and was running his own CAD bureau prior to joining Desco early in 2001. Graham takes responsibility for running the CAD department and has played a major role in the development of the practice CAD standards. Graham has been proactively involved with the development of 3D design and draughting facilities within the practice and the application of building information modelling solutions.
