Career Summary

June 2008 – Present	Quality Manager, Desco Ltd.
Feb 2007 – May 2008	Technical Document Controller, Desco Ltd.
1990 – 2007	Document Control Coordinator, Siemens PTD
1985 – 1990	Supervisor/Trainer, YMCA
1984 – 1985	Theatre Organiser, Sunderland Polytechnic
1979 – 1983	AV Technician, Sunderland Polytechnic
1978 – 1979	Lighting Technician, Parkersell Lighting
1976 – 1977	TV Service Engineer, British Relay Ltd.

Steve is a time-served engineer from an electronics background and has been involved in technical document control for almost 20 years, including experience as a technical writer and in CAD administration. Steve joined Desco in 2007 to take responsibility for document management within the business. With his flair for developing quality control systems and procedures, Steve was soon promoted to the role of Quality Manager. In conjunction with his role managing the technical document control function within the practice, he takes responsibility for managing and developing the company's quality management systems.
