### Career Summary

2001 - Present	Cad Manager, Desco Ltd
2000 - 2001	Partner – GD Draughtung CAD Bureau
1995 - 2000	Freelance CAD Engineer
1994 - 1995	Project Engineer - Gavin M Steward Limited
1985 - 1993	Project Engineer/ CAD Designer - Denco air Limited
1984 - 1985	Draughtsperson - Albury Instruments Limited

Graham initially started his career in project management for a leading Air Conditioning manufacturer. Changed direction and moved into CAD in the early 90's. Worked for a number of years as a freelance CAD engineer in the building services industry and was running his own CAD bureau prior to joining Desco early in 2001. He takes responsibility for running the CAD department and has played a major role in the development of the practice CAD standards. Is currently involved with the development of 3D design and draughting facilities within the practice and the application of building information modelling solutions.
